* Local arrangement usually means service taken by local worship leader(s)

** It has become our custom as part of our Christian commitment to the local community to support the Basement Basement Project in Bromsgrove that helps homeless young people when we have a morning Communion Service. We either bring small donations of money, put into an envelope and marked "Basement" or when needed tins and packets of food or toiletries. If there is not a request during the service for the donations to be brought forward, please hand to the steward of the day, after the service.
