\* Local arrangement usually means service taken by local worship leader(s)

\*\* It has become our custom as part of our Christian commitment to the local community to collect tins and packets of food for the Basement Project in Bromsgrove that supports homeless young people when we have a morning Communion Service. Please leave any tins or packets in the porch area or hand to the steward of the day, after the service, if there is not a request during the service for the donations to be brought forward.
