

**Catshill Methodist Church invites
you to worship in the
Christmas Experience
Sunday 1 December 2024, 10:30**

Meet the Innkeeper from Bethlehem who had a full house and could only offer Mary and Joseph a bed for the night with his animals, but at least the stable was warm!

Let the shepherds tell you what happened after they saw a very bright light and angels singing one night as they looked after their sheep on a hillside. What did they do next?

Come and hear from Jesus' Mum, Mary, as she tells you about the time when her son, baby Jesus, was born.

Listen to wise man Melchior as he remembers the time he followed a bright star in the night sky, not knowing where it would lead him and his adventurous friends.

What happens?

A guide takes small groups to visit four separate characters at their "stations" (appropriately decorated within the church room). The group spends a few minutes with the character who tells their story. You can ask questions.
